Notes

A Will of Real Property must be registered in the Court of Alderney before any freehold property or land held in Alderney can be transferred to the beneficiaries.

A Beneficiary, Executor or an Advocate may make the Application to the Court.

They will need to provide:

- the original Will (where there is a separate Will of Real Property and Will of Personal Property) or the Probated Will which has been proved by the Ecclesiastical Court (where there is one Will that deals with both the Personal Property and Real Property).
- An original death certificate must also be submitted and
- the Court fee of £150.00.

Following the registration of the Will in the Court of Alderney, a separate application can then be made to the Registrar to register the change in ownership of the property or land on the Land Register.
